### **IABSE Photo Contest of Structures - Online Now! Call for Submissions: April 30 – June 6, 2009**

On occasion of its 80<sup>th</sup> Anniversary, the International Association for Bridge and Structural Engineering (IABSE) is organising various celebratory activities. Earlier this year, IABSE gave the public a present, making IABSE Publications available for free online. Now, IABSE invites to participate in the IABSE Photo Contest of Structures.

Submission of photos is from April 30 – June 6, 2009. Sought are high quality picture(s) of a structure/or part of a structure, exhibiting the achievements and art of structural engineering. The three best photographers will win a money prize of either 1000, 500, or 300 Swiss Francs. The 10 best photos will be exhibited on a poster wall during the IABSE Symposium Bangkok 2009 in September, and also published in IABSE's journal *Structural Engineering International (SEI)*, Nov. issue 2009.

An international jury with Maria Grazia Bruschi, USA, Christian Eckhardt, Germany, Emil Honegger, Switzerland, Peer Teglgard Jeppesen, Denmark, Shun-ichi Nakamura, Japan, Amorn Pimanmas, Thailand, will make a pre-selection of the best pictures. The public will then be invited to do the final ranking, by voting online between June 24 – Aug. 17, 2009.

More information: <http://www.iabse.org/80years>

*The International Association for Bridge and Structural Engineering (IABSE) comprises 4'000 members in 100 countries. Founded in 1929, IABSE deals with all aspects of planning, design, construction, maintenance and repair of civil engineering structures. To fulfil its mission, IABSE organises conferences and publishes a quarterly journal, Structural Engineering International, as well as books and reports. The Association has a number of technical groups and presents awards in recognition of outstanding contributions in the domain of structural engineering.*

**Third parties may freely distribute this text or any part of it in print or electronic form.**
