

MINUTES OF ANNUAL MEETING OF
MACEDONIAN NATIONAL GROUP OF IABSE

The first annual meeting of the **Macedonian National Group of IABSE** was held on 22.12.2022 in Skopje, North Macedonia.

There were 6 people present at the meeting, all being members of the International Association of Bridge and Structural Engineering (IABSE).

The meeting was called in order to establish for the first time Macedonian National Group of IABSE. At the beginning, Assoc. prof. Darko Nakov explained to all members the mission of IABSE and that it is a scientific and technical Association, with the aim of exchanging knowledge and advancing the practice of structural engineering. As an initiator, he was elected to act as Temporary Chairperson and Marija Docevska as Temporary Secretary for this meeting.

The meeting then proceeded with the official election. Upon nominations, the following functions were elected, to serve for the following year and until their successors are elected:

Chair: Assoc. Prof. Darko Nakov, PhD

Vice-Chair: Assoc. Prof. Denis Popovski, PhD

Secretary: Assist. Marija Docevska, MSc

The meeting proceed with information about the upcoming 20th International Symposium of Macedonian Association of Structural Engineers, which will be held on 28-29 September, 2023 in Skopje and conclusion that the Macedonian National Group of IABSE will be actively involved in co-organizing the biggest scientific and technical event in the field of structural engineering in North Macedonia next year.
